PROPERTY DESCRIPTION

Gorgeous Victorian Home in Belleville

Beautiful old Victorian home in a convenient neighbourhood in Belleville. This house is within walking distance to downtown and all amenities. This home features hardwood floors throughout and a grand oak staircase.

The high ceilings in this house are certain to attract attention, and they give the house a definite old-world feel. The windows are new, so you won't have to worry about replacing draughty old windows. The bedrooms upstairs are large and there's a ton of closet space.

There's plenty of room here for a family. If you are the type who likes to have a lot of space to pace around without having to go outside, this could very well be the home for you.
